

Kemal Yegin

Architect / Team Lead

+370 617 36 085 · kemalyegin@gmail.com

Profile

Architect and team lead specializing in construction drawings, BIM and multidisciplinary coordination for US hospitality, multifamily, self-storage and retail projects. Combines hands-on architectural delivery with structural and MEP coordination to translate design intent into buildable documentation. Holds bachelor's degrees in City Planning and Architecture, and a master's in Architecture.
